2025 - 2026

GENERAL NOTES REGARDING THE CONTENTS AND USE OF THIS CATALOGUE

1. This catalogue does not promote genuine (O.E.) spare parts.

2. O.E. codes are indicated only for purposes of comparison and must not be used in any invoice to car owners.

3. The drawings shown in this catalogue are indicated only for purposes of comparison; the relevant dimensions are subject to tolerances.

4. Unless indicated otherwise, the data contained in this catalogue refer to vehicles
   - manufactured in Europe, and/or
   - designated for the European market.

5. Important Disclaimers

5.1 The spare parts promoted by this catalogue are intended for the designated vehicle application(s). Their use for other vehicles and/or purposes than the designated application(s) shall render GOMET's product warranty null and void.

5.2 GOMET reserves the right to alter the design and/or composition of the spare parts displayed in this catalogue. The respective data (e.g. drawings, measures, proportions, etc.) shall not constitute the agreed contractual quality of the products displayed herein.

5.3 GOMET further reserves the right to suspend or stop the promotion and/or sale of the spare parts displayed in this catalogue at any time. Consequently, **GOMET does not commit itself to the availability of the products displayed herein.**

5.4 The data contained in this catalogue are based on GOMET's and/or its data suppliers' current knowledge and belief. Consequently, **GOMET can neither guarantee nor warrant that those data are accurate and complete in all respects, and GOMET shall not be responsible and/or held liable for any errors or omissions in this catalogue.**

5.5 The properties (including the shelf life) of the spare parts promoted by this catalogue may be affected by the conditions of their storage. For further information, please contact our Customer Service department.

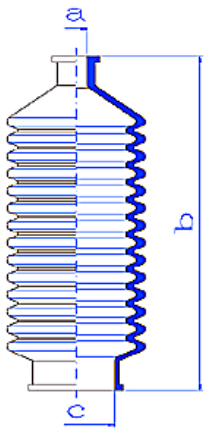

6. All rights reserved. A full or partial reproduction of this catalogue is only permitted with GOMET's prior written consent.
